

Kaan Karaca

Level Designer

London

07305849062 – kn.ktl.krc@gmail.com - www.kaankaraca.co.uk

Process Improvement | Adaptability | Team Leadership | Roadmap Management

Personal Summary

I am level designer with a passion for a wide variety of genres ranging from FPS, Action RPG and MMO's. Being a level designer has allowed me to critically analyse design elements of games in these genres and break them down to find the fun in the game.

Education

BSc (Hons) Computer Games Design and Programming, Staffordshire University | 2019 - 2022

Modules taken covered topics including game & level design, analogue games, game production pipelines and collaborative projects

Career Highlights

Roadmap Adjustments: Effectively evaluated the roadmap and reshuffled without compromising

Project Streamlining: Experience in directing teams to streamline game elements.
